

Awakening the Powers of the Imagination

Wednesday, February 19, 2020
9:00 am – 4:00 pm

Together with Jon McAlice, we will explore ways of developing our imaginative capacities, of moving beyond the limits of pragmatic thinking towards the qualities of warmth and life that emerge when our thinking approaches the imagination.

Waldorf for the Future: Thinking Waldorf New

Thursday, February 20, 2020
9:00 am – 4:00 pm

Just over a year ago, a group of colleagues met in Ann Arbor to consider the implications of the changes in the experienced life-world for education. In this day-long exploration with Jon McAlice, we will consider: How can we better meet the developmental needs of today's children?
